

CUSTOM FLAGPOLES

SUIT ANY STYLE!

From superyachts to tenders, we love creating fully customised designs to suit any size or style, because every yacht deserves a flagpole as unique as itself.

Crafted with the same passion and attention to detail that defines our company, our bespoke flagpoles embody the qualities of luxury, lightweight and elegance.

Also available in rotatable and even foldable configurations.

Designed, engineered and
manufactured completey in-house

Numerous possibilities for sizes,
angles, shapes and materials

Unique internal line system
that facilitates hoisting the flag
