

LIFTING BEAMS

SAFE LIFTING!

Developed for effortless and secure handling, Tec Wire’s carbon fibre Lifting Beams ensure the safe hoisting of superyacht toys, such as tenders, in and out of the water.

Its lightweight yet exceptionally strong material maintains precision and reliability, tailored to the demands of modern yachting and certified to the latest safety regulations.

Can hoist a weight of more than 50.000 kgs

Custom made for a 40 ft tender

Tested thoroughly in different conditions before being delivered
