

CUSTOM LINE

A WIDE ARRAY OF UNIQUE DESIGNS

As the name suggests, our Custom-line is all about tailored solutions. From curved poles with any angle to a wide array of unique design features, customisation is at the heart of this range.

As the entire development of these poles is performed in-house, flexibility and innovation are offered. Ideal for those who desire a truly one-of-a-kind shading system.

With its distinct triangular shape, one of the Custom-line’s stands out as a testament to our innovation in design, delivered to the first delivery of the Amels 60-series, better known as MY Come Together.

Custom design according to your requirements and wishes

Internal (dual) line tensioning system which can be manually or electrically (by drill) controllable
