

TENDER FENDERS

DESIGN MEETS FUNCTIONALITY

As the first piece of the partnership between Tec Wire and Espen Øino International, this state-of-the-art accessory is a testament to luxury and innovation.

Extendable handles for user-friendly and safe boarding, a long-lasting downlight for night operations and a sleek design are just some of the unique characteristics of this lightweight yacht product.

Our latest Jetski Tender Fenders prove that customisation is endless here.

Easily removable down-light with duration of 8-12 hours

Integrated handles that are flush with the outside when not in use

To be used on any kind of insert, also on existing-ones

Cross linked foamcore with a recess for a downlight
