

DOCKSTEPS

BOARDING IN STYLE!

Elevate your boarding experience with Tec Wire's carbon fibre Dockstep.

This bespoke yacht product combines peak functionality with a smooth finish, crafted in-house using cutting edge carbon techniques.

To meet the exact requirements of our clients, each Dockstep is fully customisable in size, design, and colour. For ultimate comfort, we also offer a self-levelling technology, ensuring a stable, horizontal step at any tide or angle. It is the perfect blend of innovation and elegance for any superyacht exterior.
